

Compliance Check Form:

Applicant's name and reference number:			
Basic eligibility criteria	Yes	No	Notes
1. Does the proposed activity have a positive impact on the applicant?			
2. Is the support requested within the limits of the programme (below €5.000)?			
3. Are the proposed activities sufficient to achieve the objective of the work undertaken? Does the requested support cover the needs of the applicant?			
4. Does the proposed activity add value and contribute to civil society?			If the answer is "no", the application is not eligible for support
5. Is the application/activities rights-based?			If the answer is "no", the application is not eligible for support
6. Does the application provide opportunities for the activists and CSOs otherwise not able to get support through European Commission's funds?			
7. Is the applicant capable of carrying out the activities proposed?			

8. Does the proposed activity take place in Turkey, in an EU member country or a country covered by the European Neighbourhood and Partnership Instrument (ENPI)?			If the answer is “no”, the application is not eligible for support
Budget Eligibility Criteria (In-kind support)			
9. Is the amount of the budget for the proposed activities in line with the objectives of the Activist Programme?			
10. Is the proposed work consistent in terms of approach and foreseen outcomes? Is there a strong cost-benefit correlation between the proposed budget and the planned outcomes for the activity?			
The criteria listed below are not obligatory for the application but serve as criteria that provide added value:			
11. Do the proposed activities contribute to disadvantaged groups and/or regions?			
12. Do the proposed activities make a contribution to civil society, public and/or private sector partnership.			
13. Do the proposed activities support joint learning or exchange of experience?			
14. Other notes by the expert checking the application:
